CELL PHONE POLICY

All Cell Phones will be checked in as soon as we get to Falls Creek and placed in a secure location. Students will be able to check out their phones to call home after Evening Church service (approx. 9:15pm) for 15 minutes. After they place phone calls to home, they will check their phones back in. They will not be allowed to check social media or call anyone other than their immediate family during Camp. **There is NO**

EXCEPTION to this Policy. This is a week to “Unplug” from the world and hear from the Lord.

MEDICATION:

All medication (including over the counter medications) will need to be checked in by a parent/guardian during drop off. Any student needing to take medication throughout the week will need to bring that medication in the original bottle/package with prescription information in a zip top bag with their name written on it and turn it into the medication table at check-in. They will need to include a detailed description of when and how much to take on an Index Card in the Baggie. Our cabin Nurse (DUSTIN) will oversee all the medications for our week at camp. **Parents may choose to send over the counter 'just in case' medications, but they too will need to be checked in on Monday morning during drop off.** Remember, your student may be extremely responsible with medications, but others may not. Please help us protect all students.

THEME NIGHTS

Students and sponsors may choose to dress-up for our in-cabin theme nights. There will be individual and team points given to the best outfit each night. Please remember nothing scary and no face coverings or masks. All theme night outfits must still follow the camp dress code. Students may choose if they would like to wear their theme night outfit to evening tabernacle
